

Nestled among the North Shore's east coast bays is the bustling little community of Mairangi Bay Village. A short stroll from a white sands beach, the Village offers an enticing selection of cafés and restaurants, fashion boutiques, stylish hair and beauty salons and distinctive gift stores.

The *Moments of Mairangi Bay* photo competition is now into its third year.

Joanne says a local resident, Leslie Ballie, came up with the promotional idea while commercial sponsorship sustains the event's popularity.

"We couldn't run it without local business sponsorship of our main prizes – particularly Barfoot & Thompson Mairangi Bay," Jo says.

"We have three categories – kids, youth and open. All photos are displayed after judging around the village for people to vote for their favourite. Top favourite gets a prize, along with a drawn name of a voter.

"We have over 500 entries across the categories that show a diverse look to living and being in the Village."

Mairangi Food and Wine Festival has just run for its fifth year.

"With a fabulous range of food and wine on offer, it was our biggest one yet, with over 6000 in attendance," says Jo.

"With live bands throughout the afternoon, it was a great community event with lots of fun activities for the kids too."

The Hibiscus and Bays Local Board was among the sponsors for this year's event.
